Dear Mr. Karst,

On behalf of the Chinese People's Association for Friendship with Foreign Countries, I am writing this letter to thank you for your warm hospitality accorded to me and my delegation during our recent visit to your beautiful country. I would also like to thank you for the interesting discussions and meetings arranged which I have found very informative and useful.

Due to your diligence and efforts, together with German Generaldirektion Kulturelles Erbe Rheinland-Pfalz (GDKE, Directorate General Cultural Heritage Rhineland-Palatinate) and Arbeitsgemeinschaft Deutscher China-gesellschaften (ADCG, Federation of Germany-China Friendship Association), our organization has successfully launched a grand cultural exhibition series *Meet China* on 1 June, 2018, at the hometown of Karl Marx, Trier. The opening ceremony was well-organized and impressive, and your speech about our friendship was highly appreciated. I believe this intriguing cultural event will provide people with a taste of China which is traditional, modern, beautiful and diversified.

I'd also like to take the opportunity to acknowledge your long-time contribution to the cultural exchanges between China and Germany that dates back to 25 years ago with Villa Musica. Thank you for bringing the artistic enthusiasm to the undertaking of people-to-people friendship.

With kind regards
